

# Justice

God loves justice. He is pleased with us when He sees us treating other people with fairness and justice. We must respect the rights of every human being and make sure we do not take away from anyone what they deserve. In order to help us be just, let us memorize this quotation of Bahá'u'lláh:

**“Tread ye the path of justice, for this, verily, is the straight path.”**

**1: Justice is a noble way  
Justice brings a brighter day  
A light to those in need  
Shining through good deeds  
Oh, justice is the way**

**2: We know ‘Abdu’l-Bahá would share  
Showing love and showing care  
He was content with less  
In order to bring happiness  
He was content with less**

**3: To be just we have to give  
Share our love and joy to live  
Sharing blessings we receive  
A better world we will achieve  
Oh, justice is the way**
